NATIONAL BELTED GALLOWAY SALE & FRYEBURG YOUTH SALE

DEDICATION

Rayfield Payne

Rayfield Payne was one of the original organizers of the expo/national sale. Since 1990, his major role in the expo was to be in charge of the grounds and to work with Fryeburg Fair. He would begin work at the fairgrounds two weeks before our event to plan and prepare the buildings and afterwards he would make sure everything was back in order.

Rayfield Payne was born on Christmas Day in 1935, the middle son of 11 children of Francis and Relaiifa MacIntire Payne. He attended Fryeburg Academy where he was an athletic legend and the only four time Maine state championship runner in their history. He graduated in 1955. Rayfield and his wife, Ruth Wadsworth Payne, were married for 52 years and have three children, Sherry, Chris and Peter. The Paynes own Old Homestead Farm in Hiram, Maine and raise polled Herefords and Angus. Rayfield was an avid hunter, fisherman and outdoors man. He spent

his entire career working for hydro-electric plants. Although Rayfield was fighting cancer, he was able to come to the 2009 expo dinner and participate. He passed away on December 2, 2009.

This page is dedicated to Rayfield for all his hard work, time and effort on behalf of the National Belted Galloway Sale, Pride of the Pines Hereford Sale and Youth Show.

"Rayfield touched a lot of lives in all his years working and showing his cattle and will be truly missed by all who knew him."

Diamond B's cattle operation is the outcome of Meghan and her brother's 4-H projects. Meghan was the first recipient of the NEGG Heifer Project in 1999 and she has been raising and breeding cattle ever since with the help of many NEGG members. Meghan's breeding program and consignments have proven to be real winners!
